(a): Infrastructure for the Central Armed Police Forces (CAPFs) is developed under Schemes for construction of Office Building, Residential Building and Border Out Post. Development of infrastructure for the Forces is a continuous process. The status of the infrastructure is reviewed by the Government from time to time and efforts are made to ensure that requisite infrastructure is made available to the Forces within the available Budget provision.
(b) & (c): The Special Infrastructure Scheme has been discontinued from Central assistance from the financial year 2015-16, as per recommendations of 14th Finance Commission.
